

Church of Christ Care Center

Clinton Township, MI 48035

November 5, 2018

Dear Residents, Responsible Parties, Family Members, and Staff:

Porte-Cochere Update:

- **Wednesday, November 7th: Steel Construction of the Porte-Cochere will begin.**
- **November 7th thru Sunday, November 11th: For your safety, the circular drop-off will not be available for vehicle, foot traffic, or drop-off.**
 - **There are sidewalks and wheelchair ramps at the end of each sidewalk along the driveway that we will utilize for drop-off and pick-up** when the front entrance ramp is not available for direct access.
- The **front door will remain open** to enter and exit the building during the entire project. Please pay attention to signage indicating which doors to use.
- Please **watch for signage** indicating where drop-off and pick-up are on a daily basis through the completion of the project:
 - Pick-up and drop-off access sites **may change daily/weekly** as we progress thru the project.
- To avoid being late to any appointments or events please **allow for extra time** when dropping off and picking up your loved ones.
- As always please **watch your speed** as there will be a lot of activity in the area.
- We expect **conclusion** of the entire project on or around December 18th, 2018 weather dependent.

Updates will be posted at the concierge desk and can be found on the Church of Christ Assisted Living website at: <https://www.cofccc.org/resident-news/>

Thank you for continuing to allow us to care for your loved one. If you have any questions do not hesitate to call or email me at 586-285-6202 or ashellnut@cofccc.org.

Best regards,

Amy Shellnut
